DAIM-ZA

11 MAR 2003

MEMORANDUM FOR

DIRECTOR, INSTALLATION MANAGEMENT AGENCY  
CHIEF, U.S. ARMY NATIONAL GUARD

SUBJECT: Change of Suspense Date for 2003 Installation Status Report, Environment

1. Reference memorandum, DAIM-ZA, 26 Dec 2002, subject: 2003 Installation Status Report (ISR) and Army Service Based Costing (SBC) Data Collection Cycle

2. Discussion.

a. The suspense date to submit 2003 Installation Status Report (ISR), Environment is changed from 15 May 2003 to 15 Jun 2003.

b. The change is necessary because the final data lock date of one of the feeder systems, the Environmental Program Requirements (EPR) report, was delayed. EPR data lock was delayed as a result of The Army's realignment requiring new Federal Facility Identification number crosswalks and anomaly resolutions.

c. This suspense date change is only for 2003 ISR Environment. All other suspense dates in the reference above remain the same.

3. Office of the Director, Environmental Programs point of contact is Ms. Kathleen Bartholomew, DSN 223-0670 or (703) 693-0670; email: [Kathleen.Bartholomew@hqda.army.mil](mailto:Kathleen.Bartholomew@hqda.army.mil).

LARRY J. LUST  
Major General, GS  
Assistant Chief of Staff  
for Installation Management
